On January 11, 2022, a U.S. Probation Officer reviewed Mr. Edwards' conditions of supervised release with him. He signed his judgment acknowledging his understanding of his conditions of supervision.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number      Nature of Noncompliance

6      **Mandatory Condition #3:** You must refrain from any unlawful use of a controlled substance. You must submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as determined by the court.

**Supporting Evidence:** It is alleged that Mr. Edwards is in violation of his conditions of supervised release for using cocaine on or about September 9 and 30, 2022.

On September 9, 2022, Mr. Edwards reported to the U.S. Probation Office as instructed and provided a urinalysis test, which returned presumptive positive for cocaine. Mr. Edwards admitted to use and stated, "I only used 4 or 5 lines." As a result, a referral was submitted to place Mr. Edwards at the Spokane Residential Reentry Center (RRC) for housing.

On September 30, 2022, Mr. Edwards submitted to a random urinalysis at the RRC. It was sent to the laboratory for confirmation.

On October 6, 2022, the laboratory results from the urinalysis submitted on September 30, 2022, returned positive cocaine.

- 7      **Mandatory Condition #3:** You must refrain from any unlawful use of a controlled substance. You must submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as determined by the court.

**Supporting Evidence:** It is alleged that Mr. Edwards is in violation of his conditions of supervised release for using fentanyl on or about September 19, 2022.

On September 19, 2022, Mr. Edwards was admitted to the RRC. During his intake, he submitted to a urinalysis, which was confirmed positive for fentanyl.

- 8      **Special Condition #4:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** It is alleged that Mr. Edwards is in violation of his conditions of supervised release for failing to appear for random urinalysis testing at Pioneer Human Services (PHS) on August 11, and September 8, 2022.

- 9      **Special Condition #5:** You must reside in residential reentry center (RRC) for a period up to 180 days at the direction of the supervising officer. Your participation in the programs offered by the RRC is limited to employment, education, treatment, and religious services at the direction of the supervising officer. The defendant shall abide by the rules and requirements of the facility.

**Supporting Evidence:** It is alleged that Mr. Edwards violated his terms of supervised release by being terminated from the RRC on October 6, 2022.

Mr. Edwards was placed at the RRC due to a positive urinalysis test on September 9, 2022. He continued to use illicit substances while staying at the RRC and his placement was terminated on October 6, 2022.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court, and the Court **issue a WARRANT**.
